

HAPPENINGS IN THE WORLD OF SPORT

Cycling.

MATCH IS ARRANGED

John Lawson and John Chapman
Will Meet.

WILL RIDE FIFTY MILES

RACE TO BE PAGED BY LAW-
SON'S MOTORCYCLE.

Salt Lake Races to Be Hereafter
Sanctioned by National Cycling
Association—Eddie Smith Leads
the Amateurs—Lawson's Electric
Tandem Still "In Hoek"—Notes.

At last John Lawson and John M. Chapman are matched to race. Efforts to get these two riders together have been vain, up to yesterday, for Lawson has on every occasion pleaded lack of training or lameness as an excuse to decline to meet Chapman.

But yesterday Manager Scheffel got the two men together and matched them for a motor-paced fifty-mile race to take place at the Palace track on Friday evening. The race will be about the most interesting that has yet been given on the track. The two men are without doubt the two fastest men in the city and for many weeks their relative speed has been the subject of much discussion. They will be paced by the "Terrible Swede's" motorcycle and tandem team. The motorcycle will take them the greater part of the distance, but in order to give the riders a breathing spell once or twice a couple of tandems will alternate with the infernal machine. The prizes offered are \$150 for the winner and \$50 for the loser.

SANCTIONS SECURED.

N. C. A. Assumes Control of Salt Palace Races.

Henceforth the race meets at the Salt Palace will be held under sanctions from the National Cycling association, which controls the eastern racing tracks. Manager Scheffel yesterday received a telegram from A. G. Batchelder, national counsel of the N. C. A., appointing John N. Sharp general counsel for Utah and granting the sanctions requested. Mr. Sharp appointed T. O. Angell referee for the Salt Palace race meets.

Mr. Angell succeeds J. R. Bruff as referee at the track. Mr. Bruff was the representative of the California Associated Cycling clubs, under whose sanctions the races have hitherto been held and likewise acted in the capacity of referee at the track. His arbitrary rulings in many cases have been displeasing both to the riders and the management. On Friday evening he was up to the track, in the heat and then commanded Furman and Iver Lawson to ride their match race before the final of the handicap. They requested that the match be placed at the end of the program, but Mr. Bruff would not have it so, and as a result neither Lawson nor Furman were in any condition to race in the handicap.

Mr. Bruff's relations with the other officials have been most cordial and pleasant. His successor, Mr. Angell, is a competent official and should fill the position of referee to the satisfaction of every one concerned.

EDDIE SMITH AT THE TOP.

Leads the Amateurs in the Points Table.

As there were no local scratch professional races the standing of the "pro," remains unchanged this week. In the amateur class Eddie Smith, by winning three first slips into first place ahead of Fred Meakin, who has been off the track for a week.

THAT ELECTRIC TANDER.

Lawson Left It "In Hoek" and Cannot Get It Out.

(Special Correspondence.)

Mr. Pleasant, Sept. 23.—The motorcycle belonging to John Lawson, the bicyclist, which was attached here some time ago by a lively stable firm to secure them for a bill of \$70, contracted by Lawson's dramatic company, is still here, and the stable outfit is a little doubtful whether they will get anything out of it or not. They have an attorney in Salt Lake now who will see Mr. Lawson and ascertain what his intentions are in regard to paying the bill and redeeming the wheel. Someone acting for Lawson tried to get possession of the wheel this week by a little scheming. A telegram was sent down some days ago asking that the lively company keep the property a few days longer, and that money be sent down to redeem it. At the end of the few days a letter was received demanding that the wheel be returned, as the attachment papers had expired, and it could be held no longer. The attachment papers had been properly renewed, however, and the trick failed to go.

CHAPMAN MAY LEAVE SOON.

Cranks Say He Wants to Avoid the Cracks.

John Chapman is talking of going to his home in Atlanta, Ga., the first week in October. Chapman has been away from the sunny south for nearly a year, and is anxious to go back again. There are those among the racing cranks who are mean enough to say that Chapman is getting money down there, but the time is drawing near when the eastern cranks will be in Salt Lake. They say that it is "cold feet" and not homesickness which Chapman is afflicted with, and that he is afraid to face the "cold feet" which he has made by tackling men of the stamp of McFarland, Stevens,

EMERY IS ERRATIC.

Rides All Over the Track and Keeps the Others Scared.

Emery's erratic riding is a constant source of exasperation to the other professionals. While perfectly innocent of any intention to foul the other riders, Emery has a habit of weaving from side to side as he rides which makes the other men constant fear of a fall. In the second heat of the mile handicap on Friday evening, Emery accidentally fouled Tod Caine, and forced him out of the race as he passed the hunch. Caine did not protest, so the matter passed unheeded.

Fifty Mile Race.

Philadelphia, Sept. 23.—The fifty-mile motor-paced race on the Woodside park track today between Elkes, the distance champion, Burns, Pierce, Frank Walker and Archie McFarland, the Canadian champion, was won by Elkes in 1 hour 24 minutes 21 1/2 seconds. Every record from five to fifty miles was broken. McFarland smashed all the records from five to nineteen miles, inclusive. Up to the seventh mile the records were previously held by Linton, and from there to the sixteenth Elkes' record was overcome. The seventeenth, eighteenth and nineteenth mile records were previously held by Doerr. Elkes then took the lead and broke all the world's records from twenty to fifty miles, all of which were previously held by him, except the thirty-seventh, which was made by Pierce. At the forty-sixth mile McFarland became exhausted, and was assisted from the track. Pierce finished second and Walker third.

Fast Time at Louisville.

Louisville, Ky., Sept. 23.—Harry A. Gibson of Cincinnati beat Charles Porter of Detroit in a twenty-five-mile race at Fountain Park track this afternoon, in the remarkably fast time of 45:37.4. The twelfth mile was made in 1:46.

Wheel Notes.

Holger Jensen is still limping about with a bound up knee, as a result of his mishap at the track, and he will not be in the game again this year.

Tod Caine has been ill during the week, and has not ridden in his usual form. He will ride in a match tandem race Monday night with George Chaffee against Burns and Edmonds, but after that he will be out of the game for a week's rest.

John Lawson expects to make his twenty-four-hour record trial on Monday and Tuesday, Oct. 2 and 3, unless the Palace management postpones it again. Lawson is very anxious to make the trial, but he has received very little encouragement from the Palace management, and may have to give it up.

Eddie Smith expects to go abroad this year, and will visit relatives in France. Eddie does not plan to do any racing over there, but it would not be surprising if he did. His racing suit and gave the Frenchmen some pointers on American amateur racing.

Julius Munson, the young messenger boy who has been one of the "pluggers" in the amateur races for several months, won his first race Friday night, when he was given 150 yards handicap in the mile. Munson is developing some speed, and ought to make a rider with good training.

Oscar Julius says he will challenge the winner of the Lawson-Chapman fifty-mile race. Julius made all his reputation as a handicapper, and he made a creditable showing in the six-day races at New York and San Francisco last winter. He never made any claims to be a sprinter, and not until lately has he developed any spring worth speaking of. But he is one of those who can hang on like grim death in long distance races, and he ought to do well in a fifty-mile race.

CRICKET TALKS.

Some Gossip of the Favorite English Game.

The match between the Salt Lake cricket eleven and the combined Ogden-Vealville eleven will take place in all probability on the Wednesday of conference week, Oct. 4.

A number of cricket enthusiasts, including Messrs. Halsey, Peabody, Crickshank, Davies, Spaulding, Young, Sears and others spent several hours at practice on the Salt Lake Cricket club's field yesterday afternoon.

The membership of the Salt Lake Cricket club is increasing rapidly and great plans are being made for next year. Mr. H. H. Walker has given the club the use of a fine field on Ninth South and West Temple streets and the field will be put in good shape for practice early in the spring. A permanent pavilion will be erected and there will be several tennis courts and possibly a club house as well. The club expects to get together a strong eleven which will take part in the cricket tournament at Denver next year, where they will meet clubs from Omaha, Minneapolis and Chicago.

An Enjoyable Party.

A very pleasant and enjoyable party was given at the home of Mr. and Mrs. F. L. Libby last evening, in honor of Mr. Libby's brother, who is visiting from California. Cards and refreshments were the feature of the evening. Those present were Mr. and Mrs. C. L. Berry, Mr. and Mrs. Teasdale, Mr. and Mrs. F. Hess, Mr. and Mrs. F. L. Libby, Miss Opal Hicks, Miss Florence Taylor, Miss Amy Taylor, Miss Kate and Miss Annie Anderson, Dr. A. H. Taylor, Dr. E. M. Keyser, Henry Coulam, Jr., H. F. Anderson, Harry Libby and Mr. Cope.

She Knew What She Wanted.

A Pennsylvania doctor who has a decided vein of humor in his makeup tells the story: "I had an Irish woman for a patient many years," said the doctor, "and she died. I was in a hurry, and once pulled her through a lingering attack of typhoid, taking her temperature from time to time by having her hold a thermometer under her tongue. When she had nearly recovered I called one day and, without further testing her temperature, left a simple prescription, and started on my way home. About three miles from home I was overtaken by her son on horseback. 'Mother is worse,' said he, 'come right back.' 'Do not bother me,' I said, 'she is dead, reproachfully, why didn't you give me the finger under my tongue? That is the only way to tell the truth of a patient more than all the rest of her d—n trash!'

SALT LAKES AT OGDEN.

Ogden Crippled by Absence of Some Men.

(Special Correspondence.)

Ogden, Sept. 23.—At the driving park this afternoon the Salt Lakes and Ogden men will battle for supremacy. Gimlin and Schnabel have not arrived, and the team is in a crippled condition. Several extra men have been added to the team for today's game to fill the positions of the absent players, and the boys will endeavor to give the Salt Lakes a good game. Hansford will be in the box for Ogden, and Beckwith will play short.

Gimlin and Schnabel will arrive in Ogden Wednesday morning. Pearl Casey, the ex-Ogden shortstop, who went to Billings some weeks ago, has deserted that team and returns to the Ogden boys Wednesday. He is anxious to resume his old position.

Miscellaneous.

WORLD'S RECORDS BROKEN.

Games of the Winged Foot at Travers Island.

New York, Sept. 23.—The annual fall games given by the New York Athletic club were held at Travers Island today and four records, one of which was a world's record, were broken. The American, were beaten. E. Schafer of the New York Athletic club won the 100 yards, 220 yards and 440 yards aquatic events, and in each made a new record. His time for the 100 yards, 1:08 3/4, beats the old American record, held by A. T. Kenney of Australia, while he was at the University of Pennsylvania, by one second.

In the 220 yards swim Schafer clipped fourteen seconds off the record held by Harry Reeder of the Knickerbocker Athletic club. Schafer's time was 2:12 3/4, and in the 440 yards contest he covered the distance in 6:48 3/4, or two and three-fifths seconds less than that made by Dr. Paul Neumann of the Chicago Athletic association.

John Flannagan threw the hammer 166 feet 9 inches, breaking his world's record by 2 feet 6 inches. Flannagan was not satisfied with this and said that he could go better, and on his third throw he flung the hammer 167 feet 8 inches, thus beating the record twice in one day.

Root Defeats Stiff.

Chicago, Sept. 23.—Jack Root won easily from Billy Stiff in a six-round bout at Tattersall's tonight. Root, who is much the faster man on his feet, had the best of the fight all the way through. Stiff only landing two good blows. Root kept Stiff in trouble with straight jabs, and at the end of the sixth round Stiff was badly marked up, his right eye being closed and his nose and mouth bleeding. There was not a mark on Root.

Billy Ernst Put Out.

New York, Sept. 23.—Spike Sullivan of New York disposed of Billy Ernst of Brooklyn at the Greenwood Athletic club in South Brooklyn, tonight, knocking him out in two minutes and forty-seven seconds after the opening of the second round. Ernst was outclassed.

It Doesn't Pay.

(New York Journal.)

Reformer—It's a shame to send little children to the saloon to buy beer.

Man—Casey—Not only that, but it's foolish to let the kids stop to play and let the beer get stale.

Punts and Passes.

The Y. M. C. A. football team had a practice at 5 o'clock yesterday afternoon. There were but few men out in suits and the practice was confined to punting and passing the ball.

At All Hallows college practically an entire new team must be developed this year. Of last year's team but four will don the moleskin this fall and Captain Fanning will have a hard task to develop the eleven to its last year's form. Few of the men are back yet, but by the middle of the week the team will be together. Captain Fanning gave the eleven a prospective line-up of the college eleven. It follows: 1. e. Wolohan; 1. t. John Sullivan; 1. g. M. Findlay; 1. c. Tom Powers; 1. g. F. O'Neill; 1. t. John Findlay; 1. e. Snedden; 1. b. Gallagher; 1. b. McKenna; 1. b. H. Downey; 1. b. Fanning. A game will be played on Thursday afternoon between the first eleven and the second eleven, which includes some husky and clever players. Its line-up is as follows: 1. e. J. Burd; 1. t. John Findlay; 1. g. Tom Brogan; 1. c. C. Furrey; 1. g. C. Calhoun; 1. t. Walter; 1. b. John Sullivan; 1. b. Con Dewey; 1. b. R. Luten; 1. b. E. McGeath; 1. b. Tom Canning.

The executive committee of the University of Utah Athletic association met Wednesday and elected George Riser manager of the football team to be organized next week; the boys will meet Monday evening for practice. The prospects are promising for a good season of football. The executive committee will call a general meeting of the association for next Wednesday, and will then report that the association is out of debt. At the beginning of last year the debt was \$30; this has been removed and the club still owns
